DOCKET NO. 2020-275-S

Application of Condor Environmental,
 Incorporated Requesting an Expansion of Its
 Existing Sewer Service Area to Include
 Certain Portions of Anderson County and
 Saluda County and Approval of Agreement
 (Request for Expedited Review)

MOTION TO AMEND APPLICATION

Pursuant to S.C. Code Reg. 103-828, Condor Environmental, Inc. (“Condor”) moves to amend its Application in this Docket. A copy of Condor’s Amended Application is filed with this motion. The motion is made on the grounds that Condor has terminated its contract to provide sewer service to the Palmetto Pointe subdivision in Saluda County. It no longer requests permission to expand its service territory in that location. *See* Letters of American Land Holdings *et al*, of January 8, 2021, and Condor of January 11, 2021. As shown in the Amended Application, Condor still requests permission to serve the Carriage Hill subdivision in Anderson County. The Amended Application also changes the caption to omit the previous reference to Saluda County.

Respectfully submitted,

s/ Charlie Terreni
